Installation kit for back-to-back mounting plates – VX 8617.360

created: 27.12.2019 on www.rittal.com/com-en

Product description

Description:	The minimum spacing between the mounting plates facilitates maximum assemblies on both mounting plates.
Material:	Sheet steel
Surface finish:	Zinc plated, passivated
Note:	A second mounting plate to fit the enclosure dimensions is required. See the list of Rittal spares online. For enclosures with a rear panel, the glazed door may be used instead of the rear panel or the lockable and adjacent door, for optimum access to the rear mounting plate.

Product features

Packs of:	1 pc(s).
Weight/pack:	0.54 kg
Copper weight (kg per piece):	0
EAN:	4028177921696
Customs tariff number:	73269098
ETIM 7.0:	EC002625
ETIM 6.0:	EC002625
