# NEW 3 YEAR WARRANTY on all Inverter Drives

As of 1st June 2024 – all new drives will be shipped with a three-year warranty from date of manufacture.

Additionally – any drive manufactured after 1st June 2022 will now have an additional one year warranty, giving it 3 years in total.

## For example:

Original warranty would expire 17th November 2024.  
(two years from date of manufacture)

**New warranty now expires 17th November 2025.**
